

DISCUSSION GUIDE ROMANS 9

Sunday, August 30

1. If trying harder to do the right thing does not work. How do we “get right” with God?
(Romans 9:32 Trusting the “one”- Jesus- He sent. Jews salvation was based on working hard and being a Jew, our salvation is by Gods Grace alone)
2. Paul was a Jew of Jews yet saw it worthless. What was the one factor that changed Paul’s perspective? (He experienced Jesus which made everything else look worthless Phillipians 3:7-8)
3. Why has God sent commands to His people? What are the consequences of not following these commands? (Gods commands are to help you and provide for you. To free you. Not to take away from you.)
